## Education

B. Eng. in Computer Science, Tsinghua University 2014.9 - Present

## Honors and Awards

Academic Excellence Scholarship 2015.9

Scholarship for Distinguished Freshmen 2014.9

## Research Interest

My interest lies in large scale machine learning problems, utilizing statistical methods with the help of distributed computing. I'm currently working in the Tsinghua SAIL Group, focusing on topic models, advised by associate professor Jun Zhu.

## Experience

Petuum Camp, Tsinghua SAIL Group, Tsinghua University 2016.3 - Present

## Extracurricular and Volunteering

Member of the Tsinghua Chinese Crosstalk Association 2014.9 - Present

First prize in the Crosstalk Competition of Chinese Universities 2105.10
